

## Do you enjoy playing soccer?

Join the Assumption after school soccer club!

Grades 1 through 5

Every week on Tuesdays from 3:30 - 4:30

The goal is fun and a gentle introduction to the game of soccer and team sports!

Send questions to John Silveri ([jsilveri.dgt@gmail.com](mailto:jsilveri.dgt@gmail.com)) or Frank Russell ([fjr@fjr.com](mailto:fjr@fjr.com)).

We are always looking for coaching volunteers - parents and students (grades 6 though 8) are more than welcome to help coach!

The cost is \$5.

We are also working to offer more sports as part of this intramural program such as basketball, street hockey, football & wiffleball.

We are currently working to get equipment to support this program. Any donations are more than welcome to support this effort.
