ASSUMPTION SCHOOL WEEKLY NEWS

November 22, 2016

Happy Thanksgiving to all in our Assumption School community. As we share time with our loved ones during this holiday, please remember those who are not as fortunate as we are. We pray that God sheds his light on their lives as he has for us.

God Bless, Dr. John Hoogasian

Photo Retakes

School photos went home last Friday. Photo retakes will be on Wednesday, November 30th, for those that were absent or need a retake. If you would like a retake, please remember to send your photos back to school (keep the class photo).

Christmas Program

Our Christmas Program will be held Wednesday, December 14th, at 7:00 PM in Assumption Church. All students must be in the church hall between 6:30 and 6:45 PM to meet their teachers.

Students must be dressed in holiday attire (Sunday Best). Jeans and sneakers are not allowed.

All students are expected to participate in the Christmas Program. If your child(ren) will not be able to attend, please send a note to Dr. Hoogasian prior to Friday, December 2nd.

Student Council Food Drive

The Student Council would like to thank everyone who helped make the Thanksgiving Food Drive for the St. Vincent de Paul Society a tremendous success. 3,207 items were donated. Wow!! This was 1,500 more items than last year. Third Grade is the winner of the Pizza Party with a total of 634 items, and PreK was right behind them with 503 items. What a wonderful way to start off the Holiday Season by giving back to the community.

Thank you! Thank you!

Thank you!

Happy Thanksgiving!

Toy Donations

We are now collecting toy donations for the Millbury Lions Club to benefit needy families in Millbury this Christmas. New toys can be dropped off by Thursday, December 8th. There are collection boxes in the school hallway.

We are pleased to announce that Mrs. Gentile will be on maternity leave starting, January 23, 2017. During her leave, we are fortunate to have Mr. Stevan Belair to teach Math and Science. Mr. Belair previously taught at Assumption and brings a wealth of knowledge and experience to our middle school classrooms. Welcome aboard!
